Dear Lisa,

I am writing to you to discuss my new book The Walking Dead. I have been following you for some time now and you know what I think. It has been a joy to be back to you. I feel good about being home with you now, but there is some hard work to be done and I have to get back to my work schedule before I am done writing this. I have made it this far and I can feel myself growing stronger and better through your help. Thank you for everything you do. I know it is not something I could write without you, and I hope it helps people to learn about walking as part of their health and fitness journey.

Warm regards,
Cynthia Peck
